

Monthly Homework Grid - May 2025 - Primary 1

Numeracy & Mathematics

Numeracy Focus: Subtraction

Dice Subtraction: Roll a dice, then subtract the rolled number from a starting number, or roll two dice and subtract the smaller number from the larger one. Have your child write the sum on paper.

Mathematic Focus: Money

Coin Rubbings - Make coin rubbings by placing coins under paper and using a coloured pencil or crayon to produce the image on the paper. Then, your child can match coins to the rubbings.

Play Shop - Use items from around the house to create a pretend shop. Create price tags for items. Role play the customer and shopkeeper to imitate buying and selling.

Mathematic Focus : Symmetry Have children paint a half butterfly wing on paper, then fold it to create a symmetrical design.

How to Guides:

Symmetry Guide

Literacy

Spelling:

Your spelling words will be in your homework jotter and updated weekly. Choose an activity from the active spelling grid to practise your words.

Reading:

Read your school reading book every night. Try to spot any familiar letters or words that we have been learning in class.

Remember to return the book to school each day.

Writing:

Write your sounds and words in your homework jotter. Make sure you are forming the letters correctly.

Have an adult or sibling dictate this sentence to you:

She went to the shops to get fish and chips.

Write the sentence in your homework jotter. Draw a picture to match the sentence.

Learning across the Curriculum

Topic: Toys

Ask children to make a list of toys they play with today. Children can then ask a grandparent or a parent about what they played with when they were younger and make another list. Children can draw pictures or ask an adult to help create each list. Discuss comparisons and differences.

Health and Wellbeing

Our value this month is generosity. We have been learning about what it means to be generous. We have been talking about how generosity is giving to others without expecting anything back. Children can go on a generosity scavenger hunt. How many ways can they spot someone being generous?

P1-3 Spelling Strategies

Please note - the P1 children are only beginning to learn these strategies so won't yet be familiar with them all

The strategies the children are taught are:

- **Using Phoneme Knowledge** (sounding out)
- **Syllabification** - breaking words down into syllables. The children can clap out words to identify syllables e.g. go-ing/An-drew
- **Word Shape** - Look at letter shape, size, ascending and descending letters.
- **Tricky Letters** - Looking at the position of tricky letters as an aid to spelling.
- **Compound Words** - Breaking the compound word into simple words e.g. into makes in and to.
- **Mnemonic** - using an aide memoire e.g. because - Big Elephants Can Add Up Sums Easily
- **Using Analogy** - If you know how to spell one word you can spell similar words e.g. if you can spell hill, you can spell mill, will, fill etc.

P1-3 Word Attack Strategies

Please note - the P1 children are only beginning to learn these strategies so won't yet be familiar with them all

- Look at the first letter
- Sound out the first few letters
- Break the word into syllables
- Look at the last letters
- Read the sentence again
- Look at the picture
- Look at the shape of the word

P1-3 Phoneme (sound) Methodology

*Please note - the P1 children are only beginning to learn this process so will not yet be able to do this method independently

Individuals will explore a list of words with the phoneme. They will be encouraged to say the words, make/break it, read it out loud and write the word. Children use the diagram below to support this in class.

Active Spelling Grid

<p><u>Pyramid Spelling</u> Write your words in a pyramid.</p> <p>f fr fro from</p>	<p><u>Chalk Spelling</u> Write your words on the smooth surface using chalk.</p> 	<p><u>Press-Ups</u> Do a press up for every letter in your word.</p>
