What went well in October?

Harvest Assembly

We were very proud of our pupils who shared their learning with parents, the community and the residents of Craig En Goyne during the Harvest Assembly. We were delighted with the donations received from our families for the Kilsyth Foodbank. Thank you very much.

Halloween Party

Pupils had great fun at their party playing 'Wrap the Mummy', Photo-Booth, Karaoke, and other games. The costumes were super and everyone enjoyed the party food. Please send in your donation to the party if you haven't already done so.

Kilsyth Foodbank

Mrs Rae accompanied some pupils to the foodbank to hand in our harvest collection which they were delighted to receive.

Information

Birthday Celebrations

Traditionally, parents have handed in a birthday cake or sweets for the class when it is their child's birthday. A number of children have allergies so for safety, this cannot happen anymore. We will celebrate the child's birthday in other ways, that do not involve food. I am sure you will understand the reasons behind this change.

Home-Time Plans

Please remember to talk to your child about their home-time plan, particularly when there is an after-school club. If your child signs up for a club, it is important they attend.

You will be receiving a Severe Weather Learning Plan in the next two weeks. As well as activities that your child can complete should they be unable to attend school due to the weather, there is a tear-off slip which needs to be completed. On this you should note the plan for your child should there be an emergency closure due to severe weather, by detailing whom we should contact and where your child should go. It is very important that your child knows the plan.

Library/Quiet Zone

Mrs Cheape is creating a quiet zone within our library area. This will be a quiet place that pupils can use, if required, and to go and read. We will also be taking part in the First Minister's Reading Challenge to promote enjoyment in reading across the school

Stay and Play

We host this on a Thursday from 2-3pm. It is an opportunity for the younger members of our community to come and socialise with other children, and to become familiar with the school environment. Parents/Carers can play with their child and chat with the other adults while having a tea/coffee.

Playground Games/Junior Sport Leaders

Our P4-7 pupils are currently being trained to lead sports activities in the playground. Active Schools Staff will train pupils over 3 weeks after which they will be able to lead games in the hall or in the playground. The den equipment is currently in storage to protect it from the elements so this will give us an opportunity to focus on playground games. We have boxes with a variety of gym equipment, such as ropes, markers, different bats and balls, footballs etc. The play hut also has toys inside it.

And now onto November...

No Toast/Milk 9/11/17

Mrs Smith will not be available to provide toast/milk on 9th November. Please provide a snack for your child, if required.

Remembrance Sunday 12/11/17

The Community Council have requested two pupils to lay their wreath at the memorial at Banton Church. Poppies are on sale at school, and pupils will be taking these around the community.

Parent Council Meeting 13/11/17

The next parent council meeting is on Monday 13th November, at 7pm in the school.

Anti-Bullying Week 13/11/17

Pupils will be learning about bullying, how it affects others, and what to do should they see anyone getting bullied or experience it themselves. We will be using resources from the RespectMe website. I contacted them with a view to providing training for parents. They are currently looking at this and may be able to do something later in the school year around transition time. I will keep you posted if there are any further developments.

Children in Need 17/11/17

The Fundraising Committee will be organising some fun activities for this day. More information will follow.
