Hello,

The following activities are additional Maths and Literacy tasks for each group.

These tasks are mainly activity sheet-based so the children will most likely require some support throughout them - to explain the task and deal with any questions they may have about what they should be doing.

There is no set order for these activities, nor is there any expectation to complete them all.

If the children do complete any of these activities - or any other activities you may be doing with them - it would be great to see what they have been doing. You can email me scans, photographs or even videos at:

## gw20mcnabandrew@glow.sch.uk

## Thank you!

Mr McNab
Literacy Activities

This week I would like you to listen to the story of The Tiger Who Came to Tea. Use the link to watch and listen to the story: The Tiger Who Came to Tea

## Full Stops

Create a party invitation to invite people to a Tiger Tea! You can decorate your invitation and send it to anyone you would like to have at your party!

## Dear

## You are invited to

## Time:

 Date: Place:
## Commas

Choose a book you have read and review it below!
Title: $\qquad$
Author: $\qquad$

## Did you like the book?

Rate the book by colouring in the stars.

What was your favourite part?

Draw your favourite scene from the book.

## Commas

Look at the picture below and use your imagination to write a short story about going into your kitchen one morning to find this! How did this happen? What happened next? Remember to use interesting words, capital letters and full stops.

One morning I went into the kitchen and I saw

## Exclamation Marks

Choose a book you have read and review it below!

## Exclamation Marks

Look at the picture below and use your imagination to write a short story about going into your kitchen one morning to find this! How did this happen? What happened next? Remember to use exciting words, joining words, capital letters and full stops.

One morning I went into the kitchen and discovered $\qquad$

## Maths <br> Activities

Circles
Complete the tiger dot-to-dot!

## Circles

Count, write, then add the numbers!
