

## Family Learning Challenge - 12<sup>th</sup> May 2020

For some family fun, and a way to have some contact with the rest of our Banton Learning Community, this week we would like you to make a picture or poster.

We know that being in “lockdown” can be hard but there is always something to be grateful for so we would like to focus on the positives.

Here is what we would like it to see on your poster...

- 1 - A “Hello” (I have said it in French. As you all know I love French!)
- 2 Writing or pictures of at least 3 things you have been grateful for during this lockdown period. Make sure you can see/read the things you are grateful for.

What we don't want to see...

**Your name.** As you are going to send it in as a photo of you holding your sign, we don't need your name on it.

*All of your photos will be put together to make a video to share on our school blog so we would encourage **everyone to get involved**. It would be fabulous if we could see every single one of our learners on this video and it would provide a lot of cheer for friends and families*

I used the iPad to make this one and I printed it out. You could do that. You could also use a large sheet of paper or cardboard and some pens/pencils/paint to create your message.

It is up to you what materials you use to make your poster/sign. You can be as creative as you like.

### **SUBMISSION**

1- Take a photo of you holding your sign or ask someone to take a photo of you. Remember to smile!

2- Make sure your name is not on the photo.

3- Ask a parent to email it to Mrs Rae

[gillianrae@banton.n-lanark.sch.uk](mailto:gillianrae@banton.n-lanark.sch.uk)

Date for submission – Monday 18<sup>th</sup> May 2020
