

I can read and order sentences

Cut and stick these words into the right order on paper to make sentences. Under each completed sentence, write it out with a pencil! Remember – a full stop goes at the **end** of a sentence, so if you find a word that has one – that should be the last word in your sentence!

a

jog.

big

pig.

the

fat

cat.

I

have

a

bed.

I

go

to
