

Hello!

Thank you for your continued hard work everyone. It has been great to see photographs of what the children having been doing every day.

This week is similar to last week in terms of structure – with new sounds/spelling and some tasty progressive Maths work from Monday – Friday. I completely understand that learning at home is very different to learning in school; All we can do is our best and that is exactly what you have all been giving me! I will continue to put teaching videos up throughout the week to help support the new learning.

And, as always, please feel free to contact me – through email or through Teams – if there is anything you need (support with work, feedback, a joke...)

Here is an overview of the week. I have also attached this week's Activity Grid.

Monday	Tuesday	Wednesday	Thursday	Friday
<p><b>Teams meeting (10am)</b></p> <ul style="list-style-type: none"> <li>Monday check in and chat</li> <li>Discussing this week's work</li> </ul> <p>Children should watch the new Literacy and Maths videos on the <i>Teaching Videos and Useful Links</i> channel</p> <p>Children should work through Monday's Maths and Literacy work and, if possible, choose a Health and Wellbeing and Other activity to do.</p>	<p>Children should work through Tuesday's Maths and Literacy work and, if possible, choose a Health and Wellbeing and Other activity to do.</p>	<p><b>Teams meeting (10am)</b></p> <ul style="list-style-type: none"> <li>Storytelling and activity</li> <li>Answering any questions about this week's work</li> </ul> <p><u>New Maths Teaching Video (Circles)</u> on the <i>Teaching Videos and Useful Links</i> channel.</p> <p>Children should work through Wednesday's Maths and Literacy work and, if possible, choose a Health and Wellbeing and Other activity to do.</p>	<p><u>New Maths Teaching Video (Squares and Triangles)</u> on the <i>Teaching Videos and Useful Links</i> channel</p> <p>Children should work through Thursday's Maths and Literacy work and, if possible, choose a Health and Wellbeing and Other activity to do.</p>	<p><b>Teams meeting (10am)</b></p> <ul style="list-style-type: none"> <li>Sharing our learning</li> <li>Games and activities.</li> </ul> <p>Children should work through Friday's Maths and Literacy work and, if possible, choose a Health and Wellbeing and Other activity to do.</p>

Be safe!

Mr McNab

	Monday	Tuesday	Wednesday	Thursday	Friday
Literacy	<p>Look at the pictures of Mr McNab's weekend and draw/write about what you think he did!</p> <p><b>Watch your group's sounds and spelling words video.</b></p> <p><b>Red:</b> Write your new sound and spelling words 3 times. Then try and make each word using things from your home. You could use playdough, pasta, lego, paint or even (clean) socks!</p> <p><b>Blue/Green:</b> Write your sound and spelling words 3 times and then write a silly sentence for each one!</p> <p><b>Daily Challenge</b> I spy with my little eye...something beginning with <i>c</i>.</p>	<p>Write your spelling and sound words three times – once normally and then twice more with coloured pencils/pens/crayons.</p> <p><b>Red:</b> Find rhyming words by changing the first sounds on the activity sheet to other sounds you know!</p> <p><b>Blue/Green:</b> In your jotter, copy the sentences from your group's activity sheet and add either a full stop, a question mark or an exclamation mark to the end of each one!</p> <p><b>Daily Challenge</b> How many things can you think of that are blue?</p>	<p>Take another look at the Robert Burns PowerPoint. Write an interesting fact you have learned about Robert Burns or Burns Night inside the bagpipes. Then you can draw a picture inside the thistle to match your information.</p> <p>Unscramble your spelling and sounds words. You can print out the sheet to cut and stick the words together. Or, you can use a pencil to write them in your jotter.</p> <p><b>Daily Challenge</b> How many animals can you think of beginning with <i>d</i> or <i>g</i>?</p>	<p><b>Red:</b> Read the sentences on the activity sheets and then add information to the picture. Choose your favourite two sentences and copy them into your jotter!</p> <p><b>Blue/Green:</b> Read the <i>Rap Up Warm</i> poem and answer the questions!</p> <p><b>Daily Challenge</b> If you had an alien best friend, what would his or her name be, and what would he or she look like?</p>	<p>Spend some time practicing your sound and spelling words. Then, ask someone to read out your words for you to write down. After you have written them all, check and see how many you got right.</p> <p>Think about the learning activities you have done this week. What did you enjoy most? What was the most difficult? Fill in the Learning Diary from our <i>Activity Sheets and Resources</i> folder.</p> <p><b>Daily Challenge</b> Learn how to say... <i>I am hungry</i> ...in a different language</p>
Maths	<p><b>Watch your group's new Maths video.</b></p> <p><b>Circles:</b> Make a 1-20 number line and use it to help you add 1 onto different numbers!</p> <p><b>Squares &amp; Triangles:</b> Answer the subtraction chimney sums from the activity sheet.</p> <p><b>Daily Challenge</b> What time did you have your breakfast today? What time did you have your lunch?</p>	<p><b>Circles:</b> Use your number line to help you add 1, 2, 3, 4 and 5 onto different numbers!</p> <p><b>Squares &amp; Triangles:</b> Change the boring old horizontal subtraction sums into exciting chimneys! Woo-hoo!</p> <p><b>Daily Challenge</b> Can you find anything in your house that has numbers on it?</p>	<p><b>Circles:</b> <u>Watch your group's new Maths video.</u> Help the rockets blast off by filling in the missing numbers. Practice counting from 20-0. Use your number line to help you take away 1 from different numbers!</p> <p><b>Squares &amp; Triangles:</b> Look at the pairs of numbers and then turn them into subtraction chimney sums!</p> <p><b>Daily Challenge</b> Use your tongue to count your teeth!</p>	<p><b>Circles:</b> Use your number line to help you take away 1, 2, 3, 4 and 5 from different numbers!</p> <p><b>Squares &amp; Triangles:</b> <u>Watch your group's new Maths video.</u> Turn the subtraction sentences on today's activity sheet into chimney sums!</p> <p><b>Daily Challenge</b> Can you find things in your house that have triangles on them?</p>	<p>Try to complete Mr McNab's Sumdog Maths Challenge.</p> <p>You can also choose a puzzle from our <i>Activity Sheets and Resources</i> folder.</p> <p><b>Daily Challenge</b> How many ways can you make 0?</p>

<p>Health and Wellbeing</p>	<p><b>P.E/Active</b> Take part in PE with Joe Wicks on <i>The Body Coach</i> YouTube channel. You can do it live or watch it back at any point during the day. New lessons will be put up on Mondays, Wednesday and Fridays.</p>	<p><b>Healthy Lifestyles</b> Make a fruit smoothie using your favourite fruit(s)! Add some milk or yogurt to make it delicious! Or, make a fruit kebab for a tasty snack.</p>	<p><b>P.E/Active</b> Take part in PE with Joe Wicks on <i>The Body Coach</i> YouTube channel. You can do it live or watch it back at any point during the day. New lessons will be put up on Mondays, Wednesday and Fridays.</p>	<p><b>Emotional Wellbeing</b> Try to fill three different people's buckets today and let me know about it on Teams. Remember, we fill people's buckets by doing nice things for them without being asked.</p>	<p><b>P.E/Active</b> Take part in PE with Joe Wicks on <i>The Body Coach</i> YouTube channel. You can do it live or watch it back at any point during the day. New lessons will be put up on Mondays, Wednesday and Fridays.</p>
<p>Other</p>	<p><b>Happy Burns Night!</b> Watch the PowerPoint about Robert Burns to learn about his life and about Burns Night. Use a ruler and coloured pencils or crayons to create a new tartan and badge for your family (Or use the template in our <i>Files</i> section!) You can watch this video for tartan ideas: <a href="https://www.youtube.com/watch?v=iTy8ujgb69Y">https://www.youtube.com/watch?v=iTy8ujgb69Y</a>  Your Family Badge should have things on it that are to do with your family!</p>	<p><b>French</b> Remind yourself of how to speak about the weather in French by watching the video <a href="https://www.youtube.com/watch?v=tlE6tBiSHvc">https://www.youtube.com/watch?v=tlE6tBiSHvc</a>  Draw a picture of what the weather is like today. Underneath, write what the weather is like in French.  Primary 2s and 3s can also complete the French Weather Map activity sheet.</p>	<p><b>Expressive Arts</b> Design a kilt for Robert Burns. On the activity sheet you can use the templates or your own tartan that you have designed, and stick it on the Robert Burns picture. Or, you can draw a large picture of Robert Burns and stick a kilt onto him!</p>	<p><b>Food/Technologies</b> Celebrate Burns Night by baking a tasty Scottish treat! There are different recipes you can choose from in our Teams folders!</p>	<p><b>Technologies</b> Design the fastest, coolest, toughest paper aeroplane in the world. You can find different instructions in our Activity Sheets area, or watch video instructions here: <a href="https://www.youtube.com/watch?v=veyZNYurlwU">https://www.youtube.com/watch?v=veyZNYurlwU</a>  You can decorate your aeroplane and then test it to see how far it flies!</p>
