Make a number line that goes from 1-20. It will help you with your Maths work this week!
You have different options. You can decorate and cut out Mr McNab's:

| 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | 13 | 14 | 15 | 16 | 17 | 18 | 19 | 20 |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- |

Or, you can fill in this blank one, decorate it and cut it out:

Or, you can create a complete new one. Here are some ideas:
