### I can use punctuation

*Normally, we use a full stop at the end of a sentence.* ●

*If we are writing about something super exciting or something that should be loud, we can use an exclamation mark.* !

*If we are writing a question, we can use a question mark.* ?

Copy these sentences into your jotter and add either a full stop, exclamation mark or question mark. Be careful with numbers 7 and 8. You might need more than one type of punctuation!
