

Bonjour Primary 1/2/3! We have an exciting new online French resource to explore called Linguascope! This week, our French task is to get logged in and play some French games about the weather. Follow the instructions below:

1. Go to the website www.linguascope.com and click on 'Login'.

2. Login using the account information which was emailed to your parents.

3. Click on the pink 'Elementary' box.

4. Click on the French flag.
Things may look slightly different depending on the device you are using. If you're using a desktop or laptop, you may have to click on a French flag in the elementary box. Don't worry about this, it will still take you to the same page.

5. Click on the word 'Météo'.

6. Complete the Introduction and Jeu 1 and Jeu 2.

When you are finished playing, go back to the menu page. There are lots of different areas for you to explore, like colours or days of the week. Have a look at some of these to practise your French vocabulary. Play as many as you like!

Primary 2's and 3's may also wish to try some activities from the 'Beginner' section.

1.

2.

3.

4.

On the Primary 1/2/3 Team, leave a comment to tell me which games you chose and if you enjoyed using our new French resource. I'm looking forward to hearing from you all! 😊
