

Character Visualisation

Create a **visualisation** of one of the main characters in your book. Include details about what **they look like**, their **personality** and their **background**. Use **direct quotes** and **page numbers**.

L.I: To create a character visualisation.

Success Criteria:

- Use direct quotes from the text.
- Include details about the characters appearance.
- Include details about the characters personality.
- Include details about the characters background

Appearance

Personality

Background

(home, family, age, gender etc)

Character Visualisation

Draw a picture of a different character in the centre of the page and show their role and importance within the story.

Include direct quotes. Think about things they have said and done.

L.I: To identify the role and importance of a character.

Success Criteria:

- Identify the characters role and importance within the text.
- Use direct quotes to evidence this.
- Include things they have said and done.
