

## NLC Maths and Numeracy Learning at Home

### Second Level: Data and Analysis

Carry out this survey with your family or friends.

- What colour of eyes do you have?
  - What colour is your hair?
  - What is your favourite animal?
  - What is your favourite colour?
  - What is your favourite food?
  - What is your favourite film?

Choose a different way to display each question. Choose from Pie Chart, Pictograph, Line graph, bar graph or Tally Marks.

Example:
