

L.I. To summarise

Success Criteria

- I can skim and scan to find key words
- I can identify key events
- I can make notes using bullet points
- I can turn my notes into a paragraph in my own words

Make notes on the main events which happen in the story. Only focus on the most important events. You should try to have no more than 8 bullet points.

Choose how you want to use these notes to summarise the section. You could choose one of the following:

- Summarise in a paragraph or two
- Create a comic strip or storyboard
- Use words and emojis to create a visual summary
- Create a summary picture poster
- Any other ideas you have to present the summary
