

Bonjour Primary 6/7! We have an exciting new online French resource to explore called Linguascope! This week, our French task is to get logged in and play some French games about sports. Follow the instructions below:

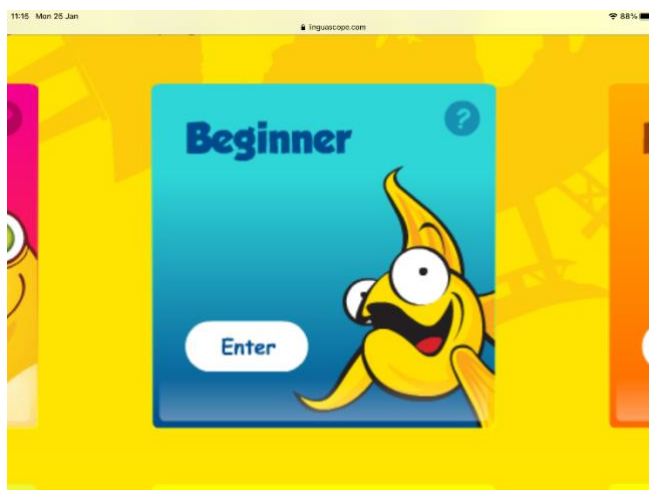

1. Go to the website www.linguascope.com and click on 'Login'.

2. Login using the account information which was emailed to your parents.

3. Click on the blue 'Beginner' box.

4. Click on the French flag.

Things may look slightly different depending on the device you are using. If you're using a desktop or laptop, you may have to click on a French flag in the beginner box. Don't worry about this, it will still take you to the same page.

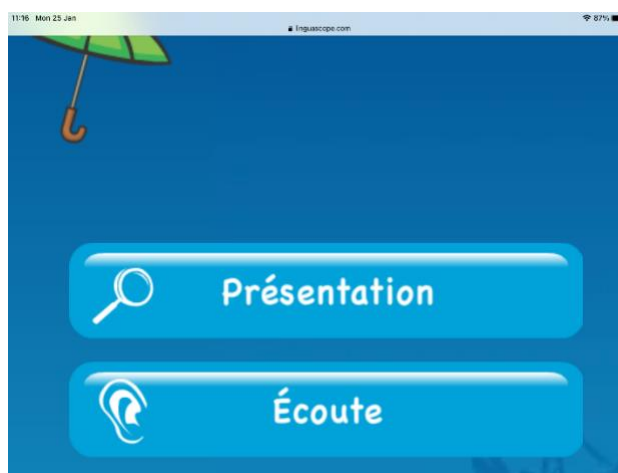

5. Click on the pink tab 'les loisirs' (hobbies).

6. Click on either 'Les sports d'intérieur' (indoor sports) or 'Les sports d'extérieur' (outdoor sports). When you finish one set, go back and try the other!

7. Click on 'Présentation' to learn more vocabulary about sports.

When you are finished watching the presentation, go back to the 'les sports' page. **All the other tabs** are games you can play to practise your sports vocabulary. **Play as many as you like!**

On the Shared Work channel in your class Team, leave a comment to tell me which games you chose and if you enjoyed using our new French resource. Try to tag me (@A Meechan) in the comment if you can. I'm looking forward to hearing from you all! ☐
