

Making £20

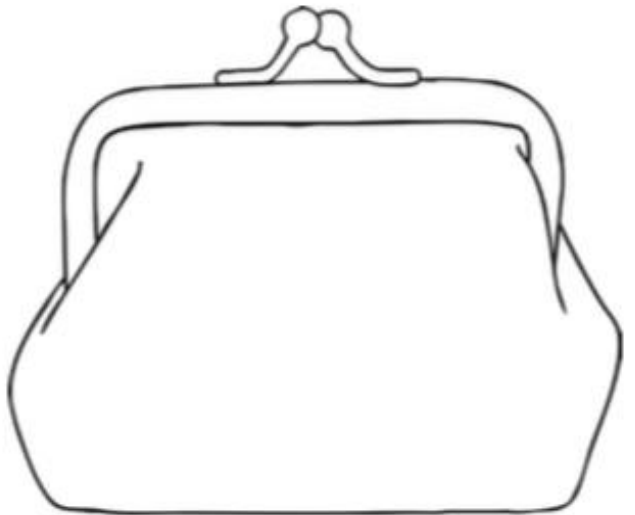

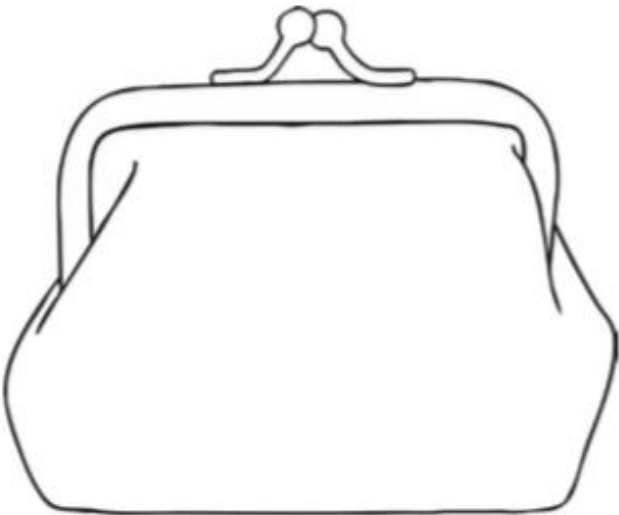

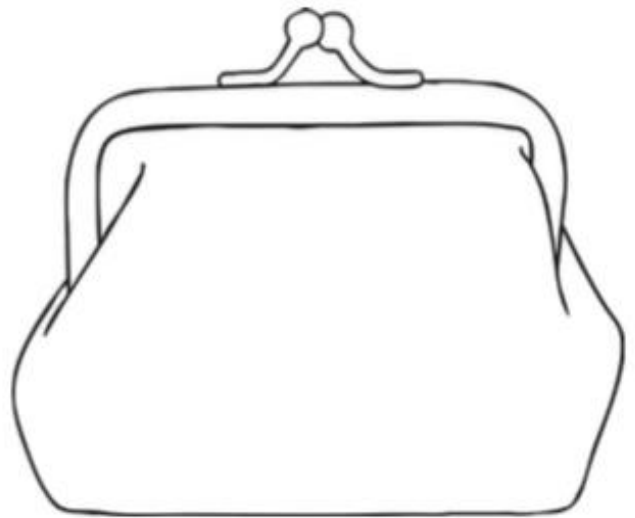

Amazing Fact

£1,000,000 in £20 notes would not fit in one briefcase, as some films might have you believe.

Challenge

Can you make £20 using different notes and coins, in four different ways? Draw your coins and notes in the purses below.

You could also try to find out:

- how tall a pile of £20 notes totalling £1,000,000 would be;
- how long the line of £1,000,000 in £20 notes would be if they were placed end to end;
- about the designs on modern banknotes.
