

Subtraction with Money

Use the column subtraction method as seen in the video to work out the calculations. Please do this in your Jotter.

1. $£6.77 - £2.57 =$
2. $£3.38 - £1.98 =$
3. $£9.67 - £5.88 =$
4. $£8.86 - £3.22 =$
5. $£33.56 - £24.88 =$
6. $£55.77 - £22.76 =$

Challenge – Can you try to make your own subtraction sum which is in the hundreds and complete it? For Example $£456.98 - £225.29$
