## Metalinguistics

### Strategies

RO – Read on

RB – Read back

FW – Familiar Word

RW – Replace word

PD – Partner Discussion

Complete the table below by writing what you think your word means, the strategy you used to make this prediction and what it actually means by searching it in a dictionary or on the internet.

| Word | What I think it means | What strategy I used | What it means |
|------|------------------------|----------------------|----------------|
| mission p.100 | | | |
| engineer p.100 | | | |
| trembling p.101 | | | |
| endure p.103 | | | |
| weightless p.106 | | | |
