

9 Magic Wishes Sequencing Sheet.

Cut these wishes out and put them in order starting from wish 1. If you don't have a printer you could re-write them in order.

A tiny zoo all for me, with a tiger and a lion and a bear.

A squirrel holding a nut that opens and inside is a Christmas tree.

A silver ship with sails of red.

A round little clown with a butterfly on his nose.

A little box and inside it is another box and inside is another box and inside is another box and inside that is an elephant.

A snowman with a black hat and eyes for coal.

An orange pony with a purple tail.

A garden of flowers all made of candy.
