This episode has a Harry Potter Theme.</p> <p>https://www.youtube.com/watch?v=R-BS87NTV5I</p>	<p>It is so important that we celebrate our differences. We are all unique and have our own personalities. Think about what qualities you have that makes you unique. Look at the 'I am unique instructions' and have a go making your own I am unique cloud. (Don't worry if you don't have coloured paper, you could colour in your paper with different coloured pens or pencils).</p>

Other	Outdoor Learning - Create some ground art. Collect lots of outdoor objects, e.g. sticks, stones, rocks, leaves, shells, sand, soil. On a mat or slabbed area arrange your objects in a way to make a giant natural picture. Take a photograph of your picture and upload it to the other tray on teams.	Technology - Read through the technology in the home Power Point. Can you design a smart device that would help you complete tasks at home? For example - A fridge with a screen that tells you what you can make with the food that's inside it.	Art - Have a go at creating your own piece of art just like the famous Dutch artist Piet Mondrian https://www.youtube.com/watch?v=zIMzAIKIKDc	French - Learn how to talk about the members of your family in French by watching https://www.youtube.com/watch?v=1uZCHUHwPIk Draw a picture of the people who live in your house. Use the video to label everyone in your picture in French. If you live in more than one house then you could draw two, smaller pictures to show each house that you live in :)	Discrete - Using the Land Use terms sheet, research and find the definition of the different land use terms.
