

Monday 15th January – Pizza Fractions Task

Activity – Print out the pizza fractions sheets. If you don't have a printer you could draw these. Cut them into their sections. Take a picture of the answer for each of these and upload it into your maths tray on assignments.

For the halves pizza

1. Show $\frac{1}{2}$ of the pizza.

For the thirds pizza

2. Show $\frac{1}{3}$ of the pizza.

For the quarters pizza

3. Show $\frac{2}{4}$ of the pizza

For the sixths pizza

4. Show $\frac{4}{6}$ of the pizza

For the eighths pizza

5. Show $\frac{5}{8}$ of the pizza

Challenge Section

Complete this if you want to challenge yourself further.

Show a fraction from 2 different pizzas which are the same. An example is $\frac{1}{2}$ is the same as $\frac{2}{4}$
