

**LI: to use facts about seconds, minutes, days, weeks and months to answer questions.**

**Use the Squares Time Poster to answer these questions!**

**Write the units in your answer e.g. 60 seconds, 7 days 120 minutes.**

1. How many seconds are there in one minute?
2. How many days are in a week?
3. How many hours are in a day?
4. How many days are in 2 weeks?
5. How many seconds are in 2 minutes?
6. How many hours are in 3 days?
7. How many weeks are in 4 years?
8. How many years are in 6 centuries?
9. How many years are in 8 millennia?

10. Try to learn the rhyme.  
Make a video or voice recording of yourself saying it and upload it to the maths tray along with your answers to the questions above.

### **30 Days Has September**

30 days has September,  
April, June and November.  
All the rest have 31,  
Excepting February alone,  
Which only has 28 days clear,  
And 29 in each leap year.
