Welcome to new members and old members

- Mrs McKibbin welcomed new and old members
-

Fund raising events

Discussed different fund raising ideas

- the parents were still very keen to do the karaoke in March.
- We also talked about a fund raiser that the children take part in to raise money for Christmas presents
- Mrs McKibbin also said that the nursery would like to raise money for I.C.T. It was suggested that we do a sponsor walk/obstacle course weather depending.
- Other fund raising ideas were teddy bears picnic, P.J day and sponsor read which we could receive 60% discount in Osborne books.
- We talked about doing a fund raiser for something other than the nursery and it was suggested Neo-natal at Wishaw hospital and money from P.J day could go towards this.

You said we did....

- Parents were asking about the parents classes like the soup ones that were on before,
- the craft class was talked about
- the parents liked the idea about first aid classes.

A.O.C.B

- Parents talked about the poles out at the snack area and if they could get foam round them
- traffic outside it was said that the police were already aware of this.
- Eco committee was discussed talking about litter in the school and community.

In the afternoon we only had one parent turn up so a big thank you to Pamela Webster, we will be looking for more parents for the next meeting.

- We discussed the things that were talked about in the morning meeting.

Next Steps:

Sponsor walk week beg. 20th Nov

Get more afternoon parents involved.
