Nursery

December 2020

Last month we were learning how to share out items equally, **halves** and **quarters**. How to follow rules that keep me **SAFE**, and grouping various energy sources **electric**, **battery**, and **flame**.

This month we will be exploring **mark making** and **writing**, developing **money** awareness, being **nurtured**, our families, and all about the Christmas **Nativity** story.

**If parents and carers would be kind enough to bring us a family photo or email it and we can print it, it would be greatly appreciated. We love talking about our families.*

Covid-19

A gentle reminder to all parents and carers, please ensure that you wear a face mask and remain socially distanced.

Nursery children should **enter** and **exit** through Zone 4, as it is of upmost importance that we maintain our bubbles.

Session starting times;

Blue: 8:40am **Green:** 8:50am **Yellow:** 9:00am

**If your child or any family member develop symptoms follow NHS advice and please inform the nursery.*

Reminders

As we no longer can accept snack form parents and carers, it is now as important as ever for us to receive snack money. Please remember to hand in your child's £2 snack donation each week as this helps the nursery provide snack resources for the children. Some parents have kindly offered to provide extra funds for our Christmas party and supplies. If anyone is willing to donate a little more it would be greatly appreciated. *Thank you!*

Please check with staff to see if soft shoes are required for your child. Some of the shoes are worn or getting small. We understand that you cannot access the nursery and may be unaware.

Food bank Donation

We are collecting for our local food bank. Please see poster on the entrance door for products we'll be collecting. There will be a basket placed at the entrance to collect the donations.

Parental Questionnaire

Check you Emails as we will soon be sending out a questionnaire. Your input is valuable and important to us.

Christmas Bubble Party – Fri 18th Dec
