

OUR MISSION

St Bartholomew's Nursery Class endeavour to build a stimulating, caring learning community in which all children and staff have the opportunity to develop and reach their full potential. We are fully committed to working in partnership with parents, carers, the wider community and other agencies/partners to ensure St Bartholomew's provides the highest quality of learning experiences across all curricular areas, with the needs of the whole child - social, physical, academic, emotional and spiritual - being recognised, nurtured and developed.

OUR AIMS

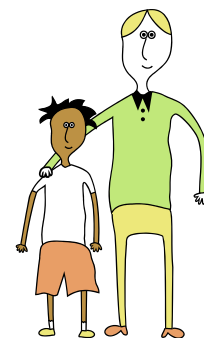

- To provide a safe, secure, stimulating and inclusive learning environment where all members of our school community feel happy, safe and valued.

- To establish and maintain high, but realistic, standards and expectations for our children, encouraging and supporting them to take responsibility for their own learning.

- To foster a love of learning in both pupils and adults through the provision of a wide range of high quality learning experiences which are purposeful, challenging and enjoyable.

- To work in partnership with parents, carers, the wider community and outside partners to ensure that our children participate in a range of valuable experiences beyond the nursery and have regular opportunities to make a positive contribution to their local community.

- To foster core values of justice, fairness, integrity and compassion, equipping our children to serve as responsible citizens within the nursery and in the local and global community.

- To equip children with the skills and attributes necessary for making an effective contribution to an ever changing society by encouraging and facilitating enterprise, creativity and ambition.
