What we will be learning this month

Rainbow Room:

We are learning about forming new friendships and how we can be good friends to each other. We are also learning the nursery routine and sequencing the events throughout our nursery day. We are developing our listening and learning new emotion words and using them in our stories, we are also exploring different foods and preparing them and tasting them.

Sunshine Room:

We are settling in to our new nursery environment and getting to know our new adults and forming new friendships. As we are very curious of our new nursery we are taking the time we need to investigate our surroundings.

Parents Committee

We are looking for parents to join our new parents committee.
Our first meeting will be Friday 30th September.
Please give your name to a member of staff if you are interested.

Reminder

Please can all parents remember to ensure that their child has a full change of clothes to keep in their bag.
Please remember to hand in your child's £2 donation each week as this helps the nursery provide snack
