

## Show My Homework/ SatchelOne

Students and Parents can access Show My Homework as this is the main method teachers are using to provide instructions for tasks etc.

Show My Homework has rebranded to SatchelOne. The tile remains the same on Glow as Show My Homework, but if using the app on a mobile device or the website – it is now SatchelOne. If the mobile device automatically receives updates – then you don't need to do anything, however if not, you will need to update the app manually. Or delete the app and download it again.

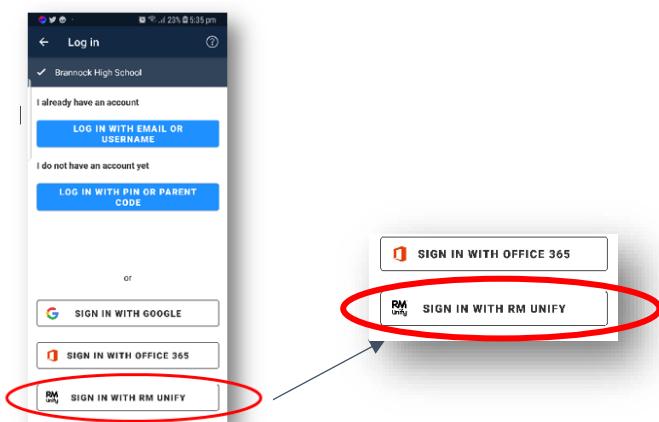

\*other platforms are being used as mentioned in the **Glow guide**. But we have reduced these to make it easier for students and parents.

### How to Log in to Show My Homework -

- Pupils can Log In via Glow as described in the Glow guide.
- OR
- Download the SatchelOne app. Students and Parents/carers can Log In. See details below.

#### Students

Log In with their Glow details. Please make sure if using the app – the option at the bottom is selected – then insert Glow details.

#### Parents/carers

Log In with your PIN or Parent Code. This PIN/code can be used up to 5 times, with those you wish to have an overview of your child's work.
