

Enabling all to Achieve Success

Brannock High School's PARENT/CARER SUPPORT PACK

VERSION 1

DECEMBER 2020

NLC DIGITAL GUIDANCE VERSION 6

Version 1

Online Learning @ Brannock High School

Digital Learning has become part of the educational experience for our young people and we have created a handy guide for parents/carers to help them support their child.

What platforms are we using to deliver learning?

MICROSOFT TEAMS

Pupils will have a class team set up for all their subjects and their teachers will provide learning on here. Pupils can access Teams through their glow account

SACHEL:ONE

Satchel:One, previously Show My Homework is being used to direct pupils to their class team.

When are we delivering learning?

Pupils are expected, where possible, to follow their school timetable throughout the day. They should log on to the Team for their subject at their timetabled time, where their teacher will give instructions about the work. Remember to check whether it's a **BLUE** or **PINK** week.

How are we delivering learning?

LIVE LESSONS

PRE RECORDED LESSONS

PUPIL-LED ACTIVITIES

TASK DISSEMINATION

Lessons types will vary between subjects and between teachers. Pupils may have a variation of lesson delivery throughout the week
