All forms should be completed and returned to your pupil support teacher.

Instructions for completion.

Please note that we will do everything possible to ensure that pupil choice is met.

However, classes can only run where numbers choosing the subject (and Level) are sufficient to justify this and where we have sufficient staff. If there is a clash of subjects in one column refer to the information provided by Pupil Support.

- Print your **Name**, **Class** and **Intended Career** at the top of the sheet.
- Use the information within your school report and recommended level of study for next session to make a subject choice in each column and two from the Elective Column.
- **Tick** your choice of subject in the appropriate box. Compulsory periods are PE (3) RMPS (1) PSE (1) Reg/Profiling (1).
- If there are **TWO** subjects which you want to take in the same column and these are not offered in any other column or a subject is not on offer at Brannock, indicate this in the -clash of subjects -box and see your Pupil Support Teacher or Mr Gibb for further info.
