Dear Parent/Guardian ,

Photographic/Video Release Form

From time to time, in the life of the school, your child may be photographed or videoed. There may be occasions when photographs and videos may be used on public display, for example at parents' evenings. Or they may be published in local or national publications.

I would be grateful if you would grant permission for your child to be photographed or videoed in the normal course of events in the knowledge that there may be occasions when these media may be used for publication.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Kevin McConnachie".
