Dear Parents/Carers,

I hope you are safe, well and your young person has settled into life as a Primary 7 pupil.

Our vision at Brannock High School is for everyone in our Community to be Kind, Happy and Successful and as you are aware, to support this I started the transition journey with the current Primary 7 pupils in June 2024. I am now pleased to inform you that the week beginning the 16<sup>th</sup> of September 2024 will see the transition programme start up again with me visiting all four cluster Primary Schools.

There will be two information events this session, with the first being **Thursday 7th of November at 7pm**. Further information will be shared with Parents/Carers in the lead up to this event.

Accompanied with this letter is a copy of the proposed Transition Calendar and a Transition Guide. Information will also be shared via the Primary 7 Transition twitter feed and our school website. Details of our school website and twitter are below:

@BrannockP7

I look forward to working with all the Primary 7 pupils throughout the academic year and hope that I can make their move to secondary school smooth and successful.

Yours sincerely,

Des Bradshaw (DHT Transitions)
