

Calderbank Nursery Class

Spring 2025 Newsletter

Acting Head Teacher
Mrs Karen Murray

I am delighted to be in the post of Acting Head Teacher at Calderbank Primary and Nursery Class while Mrs McAlonan is at Cumbernauld Primary. Everyone has been so welcoming, and I have enjoyed getting to know the pupils, staff and some parents over the past few weeks. I look forward to meeting more members of our lovely school community over the rest of the term.

World Book Day - Stay and Play

We would like to invite all pupils to 'Relax and Read' on Friday 7th March.

The children can bring their favourite book and come to nursery dressed in pyjamas, onesies or just dress down. There will be lots of fun reading activities to do!

We are excited to invite Parents and Carers into the Nursery on World Book Day for a Stay and Play Session.

Parents are invited into the playroom with their child Friday 7th March from 2.00pm.

Contact us

You can contact the school office with enquires.

Tel: 01236 632084

School and Nursery Website

The school and nursery website has been updated. It is still under construction, but feel free to visit and look around. The pupils from the school digital group have kindly offered to help build and maintain the website. You can access the website here. blogs.glowscotland.org.uk/nl/calderbankpsn/c/

Science Week 7th - 16th March

All learners from nursery up to our senior pupils will participate in Science Week. Staff will be planning exciting science-based learning experiences for our pupils. Keep a look out on our X (Twitter) page for some science shots!

Our Learning...

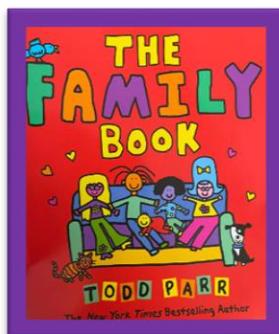

Ramps, tunnels, teamwork and transport toys.

Adventurous play, tree climbing and dressing for the weather!

Sensory play using touch and smell, pouring and mixing.

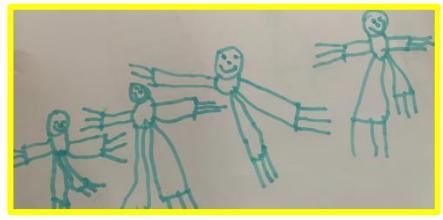

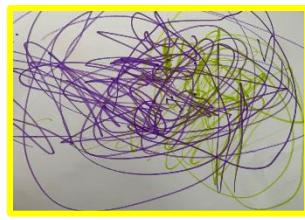

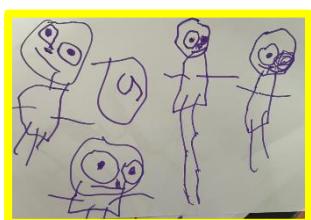

Sorting shapes, finding the right space and focusing on different colours.

Designing a heart of our own, decorating our nursery and thinking about who we love.

The importance of different families and drawing our own families while sitting beside our Nursery family members.

Our Families

This is just a small snapshot of what we have been learning in the past few weeks... what will we experience next? Keep an eye on our X(twitter) page for updates.
