Why study Business at SBS?

Flexible - the degree structure allows you the flexibility to choose the ideal combination of courses for your chosen career path.

Study abroad - our degrees allow you to spend part of your course studying in Europe or overseas.

Business comes first - we place emphasis on real business issues. Our Management Development Programme, which is central to all our degrees, is highly valued by employers who are engaged in delivery from week 1 of the first year.

Management Development Programme (MDP)

Graduate skills for the 21st Century

Business, management, personal development skills, team working, IT, presentations, international & cultural awareness & ethical issues.

Partnership working with global employers including Procter & Gamble, Ernst Young, Barclays, Morgan Stanley.
