Dear Parent/Carer

S4 Prelim Diet February 2017

The S4 Prelims will take place on: 8th, 9th, 10th, 16th & 17th February 2017.

It is important to note that there will be exam leave for S4 pupils who are sitting one or more National 5 exam (the exception being PE where there is no exam). **Pupils who are sitting all National 4 subjects should attend school as normal.** It is expected that all pupils will arrive at least 10 minutes before an exam begins. School bus transport is available at the normal morning and afternoon times. Pupils wishing to travel outwith these times will have to travel on public transport or make other arrangements.

School lunch provision will take place as normal, and is available to those pupils who wish to use it.

Each pupil has been given a Prelim Timetable, and if you have any questions regarding the Prelims please do not hesitate to contact me.

Yours sincerely

Gordon Graham
