Dear Parent/Carer,

As part of our business partnership with St. Andrew's Hospice the school participate in various events to support and promote the invaluable work carried by the hospice for its patients and their families.

Our S5/6 St. Andrew's Hospice ambassadors organise coffee mornings at the school for fellow pupils and staff, volunteer S4-6 pupils take part in a charity 6k run at Strathclyde Park every September and our S1 pupils complete a sponsored climb of Tinto Hill in the summer term.

This year, in addition to this regular work, Pupil Support and PE teacher Mr Russell will participate in a 5 day trek across the highlands of Iceland with other volunteers from across Lanarkshire to raise vital funds for the hospice.
