S3 Examinations - Monday 15 April to Wednesday 24 April 2019

Dear Parent/Carer,

S3 examinations will be taking place in Calderhead High School. The purpose of the S3 examination diet is to give pupils and staff an indication of the progress pupils are making on courses and also to help pupils prepare for SQA examinations in S4.

The timetable for S3 examinations has now been issued to your son/daughter. This is shown below:

Date	Period 1+2	Periods 3+4	Periods 5&6
Monday 15 April		D&M	
Tuesday 16 April	English (paper 1)	French, Spanish, Admin (ICT Lab)	English (Paper2)
Wednesday 17 April	Maths	Physics, Music	
Thursday 18 April	Modern Studies, History	Geography, Chemistry, Business	
Tuesday 23 April	Biology	PE	
Wednesday 24 April	Art	Woodwork	

Pupils will follow their normal timetable during the two week exam period.

Examinations will mostly take place in the assembly hall to provide pupils with experience of SQA style examinations. Pupils who require alternative assessment arrangements (AAA) will also undertake examinations at this time. Exams are timetabled across two weeks to allow reasonable time for both revision at home and assessments in school.

If you have any questions about this please do not hesitate to contact Mr Reilly and Mr Leitch.

Thank you in advance for your support,

Regards.

Mr Reilly & Mr Leitch.
