P7 Teachers should remain present in class for all of the sessions where CHS staff will visit the primary to deliver sessions (Faculty Visits or Pupil Support/SFL Visits).

Enhanced Transition – This will be led by Stephen O'Donnell PT SFL. The enhanced transition will involve a group of identified pupils. The programme will be more unique and personalised, and staff may go out and speak to these pupils more, attend meeting for pupils, invite them up extra times. This will be in addition to the programme above. More details will be shared by Stephen O'Donnell.
