

# Our Safe Space

In Calderhead High School, we want our school to be a safe, and positive learning environment for everyone.

- C** As a community we will not tolerate bullying or harassment. We will speak out knowing that our voices will be heard and taken seriously
- A** We will actively promote a positive and supportive environment, where pupils & staff can learn and grow together
- R** We will honour our diversity and always show care and respect for each other.
- E** Everyone is entitled to work and learn together in a safe space: free of bullying and harassment of any kind.
- S** **Together we can create a Safe Space**
