## Free Comics, Manga and Graphic Novels

This week we're going to look at some other free graphic novels, manga and comic books you can access.

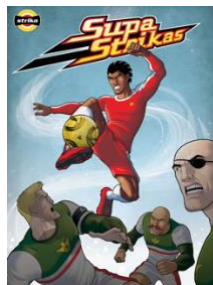

**Marvel** have made some of their comics free to view on their website; make sure when you click on the image of the comic that it has the "Read Now" button (if it says "Learn More", it's not free!)

**Magic Torch Comics** are a Scottish organisation who create comics as a way to share folktales and history with new audiences. They often work with schools and you can see some examples of their work here:

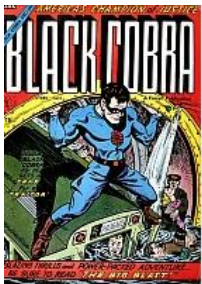

- Scary water horse story (think Kelpie but much worse...)
