

## The Story of 'dge'

Ben and Belle were in the kitchen making fudge. They put the fudge on the edge of the ledge outside the window to cool. They had a drink of milk from the fridge. Belle gave Ben a nudge. “Why don’t we ask mum to judge who made the best fudge?” When they went back to the ledge the fudge was gone. “Maybe a hungry badger ate it,” said Ben.

“I’ll bet it was a badger with four paws!” said Belle.
