

The Story of 'mb'

Ben and Belle were looking after Zack, their Aunt's little pet lamb. It wandered away and got lost. The twins went to the back of the house and saw that the lamb had climbed onto the shed. She was crying because she couldn't get down. Ben, who practised climbing at school, climbed up to get the lamb and he carried her down. "Take her home quickly", he said to Belle. "My limbs are numb. She is so heavy".
