Reading- Building a Castle in Minecraft

Read pages 10-15. Answer the questions in your jotter.

1. Why do you think many historical castles were built on top or at the sides of mountains or hills?
2. If you were to build a Minecraft castle where would you build it and why?
3. What materials were the three main types of castle built from? What advantages and disadvantages do you think these materials had?
4. If you were building a castle in Minecraft what material would you use and why?
5. Why do you think the castle walls were so thick?
6. Why were castle towers higher than the walls?
7. Why can't you build a perfectly smooth round tower in Minecraft?
