

Cubes and Cuboids

LI- I can name the properties of 3D shapes.

Watch the clip- [Clip- Properties of 3D Shape](#)

[Clip- Cubes and Cuboids](#)

Task- Use the nets to make a cube and a cuboid. Use them to help you complete the table.

	<u>Cube</u>	<u>Cuboid</u>
<u>Number of faces</u>		
<u>Number of straight edges</u>		
<u>Number of curved edges</u>		
<u>Numbers of vertices</u>		
How many real life objects can you find?
