

Tuesday 9th March

Your Digestive System

Read pages 17-20. Answer your questions in your jotter.

There are some tricky words in this book. You can click on the words to hear them and help you read them.

Chapter 3- In Your Stomach

1. Why does the stomach have a stretchy wall?
2. Cells line the stomach wall. Different cells produce different things.
What three things do the cells on the stomach wall produce and what jobs do these things do?
3. a) How often do the muscle in the stomach wall squeeze?
b) What does this do?
c) How long does it go on for?
4. Describe in your own words the process of how food in the stomach gets into the small intestine?
