♪ **SONG - The Donkey's Final Tale** (CD tracks 16 + 32) ♪

Verse 1 (all sing)

I was walking to Emmaus with my master
and his friend called Cleopas; both were sad.
They were talking of a man called Jesus
and the way he died to save his people.

I said "Hey man, I was his donkey.
Hey man, I was his donkey
on the day when he rode into... Jerusalem."

Verse 2

As we walked up to Emmaus we were greeted
by a man who was travelling the other way.
Then he asked us why we looked so sad
so Cleopas explained how we'd lost Jesus.

I said "Hey man, I was his donkey.
Hey man, I was his donkey
on the day when he rode into... Jerusalem."

Verse 3

Then the traveller reached out and climbed upon me,
whispered something in my ear and stroked my back.
He rode me nice and slowly all the way
until I stopped... and thought... and felt... and looked...
and thought, and felt and looked and knew
and thought, and felt and looked into his eyes.

I said "No man, it's you, it's Jesus !
Whoa man, it's really Jesus !
Yes it's true man, you've appeared to me... your old donkey !"

Yes man, Jesus has risen !
Yes man, Jesus has risen !
Yes man, as we sing this song, Jesus lives on.
As we sing this song, Jesus lives on.
As we sing this song, Jesus... lives... on.

The End ! (Track 18 music can be used here for bowing, etc., if required.)
