

 **SONG - Judas and Peter** (CD tracks 8 + 24) 

**Verse 1**

**(Judas SOLO)** With a kiss I betrayed him.  
With my kiss soldiers captured him.  
Thirty pieces of silver were tempting.

**(all sing)** Judas why? Oh Judas why?

**(Peter SOLO)** I denied Jesus' name  
when the soldiers came,  
and pretended not to be his follower.

**(all sing)** Peter why? Oh Peter why?

**Chorus - (all sing)**

Judas and Peter  
showed they were weaker,  
betrayed and denied as they stood by his side.  
Oh Jesus forgive these men.

**Verse 2**

**(Judas SOLO)** How can I carry on?  
For my actions were wrong.  
Shining silver has blinded my judgement.

**(all sing)** Judas why? Oh Judas why?

**(Peter SOLO)** I was so, so afraid  
when the soldiers asked me my name.  
Then as Jesus predicted the cockerel crowed.

**(all sing)** Peter why? Oh Peter why?

**Chorus**  
**(all sing)**

Judas and Peter  
showed they were weaker,  
betrayed and denied as they stood by his side.  
Oh Jesus forgive these men.

**Chorus again**  
**(all sing)**

Judas and Peter  
showed they were weaker,  
betrayed and denied as they stood by his side.  
Oh Jesus forgive these men.  
Oh Jesus forgive these men.  
Oh Jesus forgive these men.
