## Welcome Evening for P7 Parents

Our welcome evening for our new parents will take place in Chryston High School on Wednesday 23 November. The purpose of the parents' evening is to give you the opportunity to hear about what you and your child can expect when they become Chryston High School pupils. The evening will be in two parts. The first will be a presentation in the Assembly Hall led by Mrs Mullen. Thereafter, you will have an opportunity to chat to some of our current S1 and senior pupils about their lives in Chryston High School. If you wish, our pupils will take you on a tour of the school.

Our aim is to ensure that your child starts Chryston High School in August 2017 feeling confident and happy

The evening is intended for parents. It is an opportunity for you to get to know us and ask questions. We look forward to welcoming you to Chryston High School.

# Format of the Evening

## 18:30 Arrival.

Leontia McLaughlin, our Home School Partnership Officer, and representatives of S6 clubs and committees will be in the social area with information about their roles in Chryston High.

## 18:45 Welcome and Presentation

Mrs Mullen will give you some information about Chryston High School and talk about what you can expect from us and what we expect from your child. This will not cover every aspect of life in our school and it is anticipated that you will have questions to ask and things you want to know. Please speak to Mrs Mullen on the evening or contact her via the school office. Alternatively, you may prefer to speak to your child's primary head teacher who will pass on your details to Mrs Mullen. Lauren, one of our House Captains, will talk about her transition from primary school and her time in Chryston High School.

## 19:15 Meeting our Pupils

You will be invited to join our pupils for tea and coffee in the social area. Our pupils are Chryston High School. We are extremely proud of them and their contribution to our community. They are looking forward to sharing their Chryston High School stories with you and answering your questions.

## Staff in Attendance

The following staff will be at the information evening:

*Mrs Aileen Mullen, Depute Head Teacher (Primary Transition)*

*Mr Jonny Mitchell, Head Teacher*

*Mr Andrew Jopling, Depute Head Teacher*

*Mr Alan Cooper, Principal Teacher Support for Learning*

## Peer Mentors

We are very privileged to have a dedicated group of peer mentors in Chryston High School who liaise with Leontia and Mr. McMcAlpine, PE Teacher, in supporting our new S1 pupils. They run a variety of lunch time clubs for their mentees and organise excursions for them. They also prepare and deliver PSE lessons for the S1 classes on a variety of topics and participate in the summer school for P7s. Leontia will be in the social area at the start of the evening.
