Easter School – Monday 3rd – Thursday 6th April, 2017

Dear Parent / Carer,

It gives me great satisfaction to be able to communicate the arrangements for this session's Easter School. Unfortunately there is no longer any funding granted for this initiative and due to this, some aspects of Easter School will be slightly different to previous years. With this in mind, certain adjustments have had to be considered to ensure that we can continue to offer Easter School.

The members of our teaching staff who have very kindly offered this additional support for young people S4 – 6 during the first week of their holidays are doing so on a completely voluntary basis. I would like to take this opportunity to express how grateful I am to have such a dedicated team of staff working in our school and I am sure you appreciate their commitment every bit as much as I do.

I would ask you to encourage your child/children to attend Easter School if/when appropriate. Easter School will run in the mornings between Monday 3rd April and Thursday 6th April (8.55am – 12.30pm). There are a variety of options available over the course of the four mornings and S4 – S6 pupils can opt to attend particular sessions that are relevant to them. Pupils do not need to stay the whole morning but should instead choose the options and times that are available/suited to them and their studies. Pupils must arrange their own transport to and from school.

This information has been shared with pupils at a recent assembly and if any further information is required they should see a member of the senior management team.

Furthermore, I would like to wish each of our pupils every success in their upcoming SQA exams next term. I know that in working in partnership with you they will be encouraged and supported to do their very best.

Yours faithfully,

Jonny Mitchell, Head Teacher
