Dear Parent / Carer,

I am writing to you to give you information about the S1 Parents' Welcome Evening and dates for your diary.

S1 Parents' Welcome Evening

Last year when I spoke to S1 parents about the timing of report card and the parents meeting, they told me they would have liked an earlier visit to the school. However, they agreed with teachers that before Christmas was too early to get valuable information about their children's progress. It was decided that an open evening would be helpful.

The open evening will take place on **Thursday 8th of November** from **6.30pm** until **8.30pm**. The evening will be organised by our S1 pupils, your children, and the aim is to give you an opportunity to find out how they are settling in and what they have been learning. There will be an opportunity to visit departments and find out about school clubs. Teachers will be present to talk about learning in their departments. Pupils are also running a café throughout the evening serving tea, coffee and home baking.

S1 Tracking Report

The first tracking report will be issued on **Thursday 22nd of November**. It will give you an indication how your child is settling in and the progress they are making in their learning. I will issue a letter with the reports.
