Dear S5 Student

S6 in Session 2019-2020
S6 Conference – Monday 3rd June 2019

We are well aware that S6 is not for everyone and we would like to wish those of our S5 who are leaving every success and happiness in their future lives and careers.

For those considering a return to Chryston High School for a Sixth Year we aim to provide a fruitful year of individual opportunity and collective success. We are holding an S6 Conference as an important preparation for this. It is therefore **essential that you attend if you are considering returning to school.**

All returning pupils must register in the Iain Nicolson centre at 9.30am. Full school uniform is expected and must be worn. This includes the school blazer. This also includes your school tie – if you foresee difficulty with this please contact Mr Kane/Mrs Perriss before Friday 30th May. As you are aware we promote all S6 pupils to the position of Prefect, with School and House Captains to follow at a later date. All Prefects will engage in numerous opportunities and activities throughout the year which will help them to gain additional accreditation and also to contribute to the wider school community. To signify pupil's Prefect status all new S6 students will be issued a Chryston High School tartan tie. We are hoping that the ties will be available to be given out to you on the 3rd of June at the expense of the school but are still awaiting confirmation from our supplier. Until the new ties are ready you will continue to wear your current tie.

S6 in our school is not just a year in which students have another chance to pass or improve upon individual attainment, it also offers every student an opportunity for personal growth and development of a kind that they may never encounter again. We see S6 as being about *giving* as well as receiving help and support. It is important therefore that all students considering a return for S6 understand and are committed to what Chryston High School has to offer and that they support its values, ethos, mandatory dress code, and feel a sense of collective responsibility for its success. **Please discuss this with your parents.**

Any pupil not returning to school should contact the school office on receipt of this letter to confirm leaving date and Employment / Education destination.

Kind regards

Mr Kane
