December/Christmas Events in Chryston High

Dear Parent/Carer,

First of all I'd like to communicate with you a new, bespoke school email address that I would like parents/families and staff to use to make us aware of any success stories about your child/children. This will provide us with an improved way of celebrating the many achievements (in school and out-with school) of our young people.

success@chrystonhigh.n-lanark.sch.uk

This email address is not replacing any of our usual school contact details but is an additional one specific to sharing good news stories. This will create a platform to celebrate even more pupil success through announcements, tweets and newsletters. I look forward to reading the many emails that I am sure will begin to fill up the new inbox.

I also thought it might be worthwhile to remind everyone in our school community about all of our Christmas/December dates. Most of these events are highlighted on our parent calendar available on the school website. I invite you to join us at our school events as always as they provide opportunities to join together and celebrate the many talents and skills of our young people.

You will by now have realised that there will be no CHS Christmas Fayre this session – our Parent Council have decided to instead, host an exciting event nearer Spring time in 2020, more information to follow in the new year. I look forward to seeing you throughout December which is traditionally, a very busy but exciting time of year for us all at Chryston High School. If you would like any further information, please do not hesitate to contact our school office.

I would like to take this opportunity to thank all of our young people, staff and parents/families involved in organising or participating in and attending the above events. Christmas/December is a busy time for everyone and I am particularly thankful to such a dedicated team of staff who volunteer to ensure that this is a special time for all of our school community. I would also like to thank parents and families for your continued tremendous support. Although I hope to see you at some of the above events, I take this opportunity to wish all associated with Chryston High School a very happy, peaceful Christmas and an enjoyable and prosperous New Year.

Yours faithfully

Jonny Mitchell
