

Chryston High School  
Supported Study Opportunities  
February 2020

As we head towards the final SQA exams regular home study and a planned study programme is in integral part of ensuring the best possible outcomes. The table below identifies where members of our teaching staff or whole faculties are offering additional time out with school hours, to provide help and support for all students in S4, S5 and S6.  
I would ask you to encourage your children to engage with this support and expert knowledge to maximise their chances of success come the final exams. Insufficient attendance at supported study classes may result in them being removed.

| SUBJECT                 | LEVEL          | TIME                               | TEACHER                                | MON | TUES | WED | THURS | FRI | Comments  |                 |
|-------------------------|----------------|------------------------------------|--|-----|------|-----|-------|-----|---|-----------------|
| English                 | Higher / Nat 5 | After school                       |  |     |      |     |       |     | All English staff are available every day at lunch or after school if pupils approach them to arrange       | Languages       |
| English                 | N5             | After school                       | Mrs Frame                              |     |      |     | ✓     |     |   |                 |
| Spanish                 | Nat 4 / Nat 5  | After school                       | Dr Malcolm                             |     |      | ✓   |       | ✓   | Other days possible if pupils wish to do another day  |                 |
